Professional and Technical Qualifications

- Ability to deliver student-centered ICT practical lessons.
- Differentiated instruction for mixed-ability learners.
- Digital technology integration in the classroom.
- Microsoft Office Specialist (Word, Excel, PowerPoint)
- Troubleshooting, Networking & ICT Lab Management Expert.
- Web Design (HTML, CSS), Database & Spreadsheet wizard.

Skills

- **Management Skills**: I have excellent time management skills with ability to balance multiple priorities. My strong classroom management skills have also left records of success in my current and previous job assignments.
- **Problem Solving and Decision Making:** Ability to analyze and define a problem, evaluate alternatives, find a solution and understand how and when to make a choice.
- **Communication Skills**: I am an excellent communicator who effectively conveys information both verbally and in writing. I am also a keen listener and gives prompt feedback
- **ICT Competence:** Good command of Computer Operations, Ms-Office suite, Software and Hardware maintenance, Adobe Applications, web development and graphics design.

Behavioral Competencies

- Great attention to detail and a flexible approach to work.
- High level of commitment and self-motivation.
- High professional and ethical standards.
- Of good moral character: honest, trustworthy, and dependable.
- Passionate about fostering computer literacy and academic excellence in Somaliland.

Experience

SEP 2018 – TO JUN 2025 ELM HIGH SCHOOL HARGEISA, SOMALILAND.

POSITION: INFORMATION AND COMMUNICATION TECHNOLOGY (ICT) TEACHER.

Responsibilities:

- Deliver high-quality teaching of Edexcel Pearson ICT/IT curriculum at IGCSE and A Level, ensuring lessons are engaging, structured, and aligned with examination requirements.
- Prepare and implement lesson plans, schemes of work, and assessments aligned with the Edexcel Pearson syllabus and learning objectives.
- Teach students both theoretical and practical ICT skills, including programming fundamentals, digital systems, databases, spreadsheets, presentations, and emerging technologies relevant to the curriculum.
- Prepare students effectively for Edexcel Pearson examinations by using past papers, exam-focused revision strategies, and regular formative assessments.
- Design and administer class assessments, assignments, and practical coursework, providing timely and constructive feedback to support student progress.
- Monitor and track student academic performance and provide additional support or intervention for students requiring improvement.
- Integrate modern educational technology and digital learning tools to enhance classroom instruction and student engagement.
- Maintain an organised and well-managed ICT classroom and computer laboratory, ensuring equipment is used safely and effectively.
- Collaborate with school leadership and colleagues to contribute to curriculum development, academic improvement initiatives, and student achievement goals.
- Support ICT-related co-curricular activities, such as coding clubs, technology competitions, digital projects, or research initiatives.

Key Achievements:

- ★ Delivered engaging lessons aligned with Pearson Edexcel ICT curriculum
- ★ Improved student ICT exam performance
- ★ Developed ICT schemes of work and lesson plans
- ★ Prepared students for ICT practical examinations
- ★ Introduced project-based ICT learning that helped students develop real-world digital skills
- ★ Created digital learning materials and improved Classroom technology integration
- ★ Supported school computer lab management
- ★ Provided ICT support for teachers and staff
- ★ Supported the school digital transformation

SEP 2021 – JAN 2023 ELM HIGH SCHOOL HARGEISA, SOMALILAND.

POSITION: LIBRARY AND LEARNING RESOURCE SUPPORTER.

Responsibilities:

- Support the management and organisation of the school library as a learning resource centre that complements teaching and learning activities.
- Assist in organising, cataloguing, and maintaining physical and digital learning resources relevant to the school curriculum.
- Support students in research activities, assignments, and project work by guiding them on how to locate and evaluate credible information sources.
- Promote reading culture, information literacy, and digital literacy through library-based learning initiatives and academic activities.
- Maintain an updated inventory of library resources and relevant learning materials.
- Assist teachers in identifying and accessing reference materials, digital resources, and academic publications that support classroom instruction.
- Support the organisation of reading programmes, academic research activities, book displays, and technology-related learning events.
- Maintain records related to library usage and resource availability.
- Perform any other related duties assigned by the school administration that support teaching, learning, and academic development.

Achievements:

- Successfully oversaw the smooth running of the school operations
- Successfully implemented the Library Management System, achieving eighty nine percent (89%) level of implementation.
